Editors Notes

Phew – lots on as the weather warms up. Both ferries have been cleaned, serviced, maintained & surveyed ready for the summer weather. The SARATOGA is sparkling!

FERRY TO THE FOOTBALL – we really want this to happen, but interest has been up & down last year! LUCKILY – the draw is great – nearly ALL are Saturdays, so come on and join us , much better than driving and parking! There are a few days, as on page 2, that we can't make it due to other commitments and crew /boat shortages, our apologies we are NOT running New Years.

Catch the CODOCK II – the COCKATOO Ferry on its run again in the Xmas school holidays- it is a nice return journey through the channels at the mouth of Brisbane Water.
